## Why ExpoPerks :

1. Be first to purchase concert or rodeo tickets, before the general public; get the seats you never dreamed of having before, without standing in line!
2. A chance at backstage passes with your favorite music artist.
3. Early entry to some General Admission events.
4. Product discounts.

**ExpoPerks** works with any Montana ExpoPark-hosted event such as: **Montana State Fair, Spur & Spin and other Concerts.** Events that are a "rental" of Montana ExpoPark's facilities are not guaranteed eligible for the **ExpoPerks** program. Check this Web site for upcoming events' eligibility status.

## ExpoPerks Membership Benefits

- 1) **Buying power** -- Purchase tickets to Montana ExpoPark events before tickets go on sale to the general public. Additional events by outside promoters (i.e. when Bravo Entertainment brings a show to the Four Seasons) may also be eligible. This "buying window" will be available until approximately seven days prior to the event. Note: You may purchase one ticket/member/concert ..AND up to 8 additional tickets may be purchased per member but those tickets will be processed along with the general public when tickets go on sale to the general public.
- 2) **"Members only" Room** -- Look for the members-only gatherings at the event. Members might find beverages and snacks on hand while you visit with other **ExpoPerks** associates. Meet-N-Greet drawings when available. You might see a few surprises for members during the Montana State Fair.
- 3) **Information on the Web** -- With your assigned password, you will have access to certain events and entertainment Montana ExpoPark is exploring. Event information, pre-sale dates and entertainer buzz will be added. Chat with other members online!
